Preface

This textbook is designed to help learners improve their grammar. Grammar is the art of rightly exerting our thoughts by words. Grammar in general, or universal, explains the principles, which are common to all languages. The grammar of particular language, as the English Grammar, applies the common principles to that particular language. In writing Concise English Grammar, I have given careful attention to the requirements and expectations of students who study English as language.

Regarding the writing of the book I must say that it would not have seen the light of day eminent English Professor had not shared his rare insight with me Dr. V.R.Badiger, Head, Dept. of English, Gulbarga University, Kalaburgi, supervised my doctoral research on Anglo-Indian literature. Then I had the good fortune to discuss the idea of this book with my sincere friend Anand Sasnur, Asst.Professor of English, Shahapur. I am also grateful to my colleagues and Principal, GFGC,Kamalapur for their moral support. I am heartily grateful to Mr. Virendra Kumar Yadav, Akhand Publishing House, Delhi.
