ACKNOWLEDGEMENTS

"Behind every successful man, there is a woman" goes the popular saying. I am no exception to this and behind my successful pursuit of academic passion, leaving behind a three decade old financial profession, there is continuous support and inspiration of my wife Manu, whom I consider the incarnation of both Goddess Laxmi and Saraswati in my life. I give full credit for all my academic achievements, including this book to my wife and my only child, my dear son Sumit, both of whom support, inspire and rejuvenate me round the clock.

I dedicate this book to my late father who always saw in me an outstanding academician as well as my mother who showers her blessings to me for making continuous progress in life.

I also owe to all my family members as well as all my past and present colleagues and friends who constantly inspire me.

Last but not the least, the book could not have seen the light of the day but for the untiring efforts of all the stakeholders of Akhand Publishing House.
